Living Powerful Learning

Powerful Learning encompasses the design and implementation of engaging classroom experience that lead students to a *deeper understanding and application of curricular outcomes*.

Is your practice powerful? Complete this self-assessment.

Target	Evidence	Reflection
Assessment: Sharing Outcomes ***Learning outcomes are understood by all.***	☐ Students see, hear, and articulate the learning outcomes in student friendly language (ex. I Can statements, put outcomes into own words, etc.) ☐ Students are asked to talk about their ideas and previous experiences related to the learning outcomes. ☐ Criteria is shared or co-created ☐ Assessment tools (exemplars, anecdotal feedback, checklist, checkbric, rubric) help students understand outcomes ☐ Students understand and explain what they do well and take steps to improve.
